

Annual Notice Cold Weather Program

KCP&L's Cold Weather Program begins November 1 and remains in effect through March 31. It is designed to help customers with delinquent accounts avoid loss of service or have service restored during the winter months.

Registration: If you are low-income and elderly or disabled, you can register for this program by filling out the following form. Once registered, KCP&L will take additional steps to help you avoid disconnection of service if your account becomes delinquent between November 1 and March 31. You're eligible to register if you are:

- Elderly or disabled with a household income of 150 percent of federal poverty guidelines or less, **or**
- 65 or older, **or**
- Disabled and rely on electricity for health or life support. You will need to complete the medical verification portion of the form and have it signed by your doctor, **or**
- Disabled and receive government disability benefits.

To register, complete, sign, and return the form on the back. You must register every year, even if you've registered in the past. Following registration, KCP&L will send you complete details on the program.

Special Friend Notification: If you plan to be away from your home for an extended period or if your account should ever become delinquent, we will contact a relative, friend or other third party of your choice. This Special Friend would not be responsible for payment, but might be able to help you avoid late payment charges or disconnection of service. To register, complete the following form:
